Creating Digital Resilience

Digital Ambassadors Plus promotes Online safety and Digital Resilience in schools and extends the role of trained Pupil Digital Ambassadors. KS2 & KS3

The programme is delivered through 3 modules that focus on pupils online and offline lives, including the following:

- Self-Respect and Respect for Others
- Healthy Online Habits
- Staying in Control Online
- Maintaining Positive Online Relationships
- Digital 5 A Day

Pupils are encouraged to complete tasks between each module that create content to help them share their online safety messages around their school community.

Appropriate for KS2/3 to extend the role of trained Digital Ambassadors. It is delivered by experienced, qualified, DBS checked teachers and includes pupil packs, certificates, digital badges, and all other resources. All pupils will also receive a personalised T-Shirt created as part of the activities.

This is a collaborative offer from WiderLearning and The Centre for Digital & Online Behaviours.

New for 2020

Evidence and Impact Mapping tool. The tool maps the Digital Ambassadors Plus Programme across the Ofsted evaluation criteria, the PSHE curriculum and the new RSE Statutory Guidance.

*"Really thought provoking session - lots for the children to consider about their online habits."
Long Knowle Primary School*
